Time requests will be handled on a first come, first serve basis. You will be notified as to the times your students are to perform. Please arrive 15 to 20 minutes before your scheduled time.

**FIRST YEAR STUDENTS MUST PLAY WELL-PREPARED DUETS. NO PERSONAL AMPLIFICATION SYSTEMS PERMITTED DUE TO FIRE PERMITS.**

**This event is not just limited to piano playing, but also open to vocalists and instrumentalists. Holiday music is preferred, but all styles are welcome. MEMORIZATION IS NOT REQUIRED. NO PHOTOCOPIES!!**

Please remember, we have a responsibility to the malls to present students and music that is appealing to shoppers in a polished, yet very public forum. Be mindful of stage appearance and presence at all times. NO GUM CHEWING!!

**TEACHERS MUST BE PRESENT WHILE THEIR STUDENTS ARE PERFORMING.**

**DO NOT GO OVERTIME ON YOUR STUDIO'S SCHEDULE!** By all means, use up all of your requested time. If you begin to run short, repeat your students, but do not run into the next teacher's scheduled time.
